Just a few important details...

Please plan on arriving at least 5 minutes prior to the presentation.

1. **Click this link to join the webinar** (and you can even go there now to become familiar with it if you like):

2. Your access code is: **ANSWERS**. You **must** enter this code to gain access to webinar.

I will get to as many questions as I can on the webinar. Please note that if you type your question, you won't be as likely to get your question answered than if you verbally ask it! So please call in via your phone and press STAR 2 on your phone to “raise your hand” or press the raise hand symbol if you are listening via computer so I know you have a question. And if you can only type in your question, please do that and I'll get to as many typed questions as I can. ☺

I look forward to having you on the webinar!

Warmly,

Kristin Morrison
